Authorization for the collection and maintenance of this information is in keeping with the Education Act. The information will be used to establish the student's Ontario Student Record folder (OSR). The record of a student's educational progress through the schools in Ontario is maintained in the OSR for that student. The contents of the OSR folder are privileged for the information and use of supervisory officers, the Principal or designate, and the Teachers of the school. Material contained in the OSR is to be used for the improvement of the instruction of the student. Each student and the parent(s) (barring any court orders denying access) or guardian(s) of a student who is not an adult (under the age of 18) have access to the student's OSR. It is necessary to make an appointment with the Principal to review the contents of an OSR.

This form will be retained in the Documentation Folder in the OSR until 5 years past the student's retirement. Verification forms that are used for verification or change of existing information are kept until superseded.

I verify that the information provided on this form is true and correct. I have read and acknowledge the financial requirements for admission. I also understand that it is my responsibility to advise the school of any changes in the above information.
