

Dear Parents and Guardians,

We hope this letter finds you well and that your child has had a smooth transition into the new school year. We appreciate your continued support of our school community.

We would like to share some important logistics regarding entering, exiting, and navigating within the school premises. The safety of our students is our top priority, so we kindly request that you follow these guidelines daily to ensure the well-being of all our beloved students.

- 1- Entrance:** The school entrance is located on **Denver Road West**, just west of the **MSOG Parking** area near the Hydro Towers. We kindly ask that you **do not use the Water Street entrance** as it poses a significant safety risk to our students. Please refer to the map below to locate the correct entrance:

- 2- Parking Lot Safety:** When you arrive in the morning, please ensure that you use the designated path for the drop-off and pick-up drive-thru. If you plan to drop off your child quickly, there is no need to park your car. Simply proceed to the drop-off location, and one of our staff or teachers will be there to assist your child in safely reaching the gathering area before school begins. After dropping off your child, please follow the designated exit route back to Denver Road to exit the school property. If you intend to park your car and personally escort your child, please use the same route or drive directly to the assigned parking lot. It is essential to follow the one-way instructions in place and treat the route as a one-way road.

- 3- We like to emphasize that the **drop off time is at 8:30 and 8:40 AM** and **pickup time between 3:20 and 3:30 PM**. We can't accept students before the allocated drop-off time as we have limited monitoring staff assigned for before school program. Also, we can't monitor students after pickup time as the available staff are assigned for after school program. You are welcome to join both programs at a very minimal cost! Consult with Miss Azza for more information.

We like to thank you for partnering with us on this plan to enforce students' safety!

**Thank you from the Meezan School Office!**
